

## Quassel IRC - Bug #1035

### Day changed notification appears too early

11/03/2010 12:07 AM - public

<b>Status:</b>	New	<b>Start date:</b>	11/02/2010
<b>Priority:</b>	Low	<b>Due date:</b>	
<b>Assignee:</b>		<b>% Done:</b>	0%
<b>Category:</b>		<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>		<b>OS:</b>	Windows
<b>Version:</b>	0.7-pre		
<b>Description</b>			
<p>On a randomly basis, the day changed notification appears about 5 to 10 minutes too early and stays always the last entry until the day really changed. Had this behavior with a 0.6.x version, updated to 0.8-pre (0.8-pre+19 git-fdec4a8), still happens. Local time is in sync with the time on the host running the core.</p>			
Example:			
23:55 <Nick1> bla {Day changed to ... }			
23:55 <User1> bla			
23:56 <User2> blahblah {Day changed to ... }			
23:55 <User1> bla			
23:56 <User2> blahblah			
23:57 <User1> blabla {Day changed to ... }			
23:55 <User1> bla			
23:56 <User2> blahblah			
23:57 <User1> blabla {Day changed to ... }			
00:01 <User2> yeah bla!
