

Quassel IRC - Bug #1152

Assert in NetworkModel was false

04/14/2012 10:09 AM - Anonymous

Status:	Resolved	Start date:	04/14/2012
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Quassel Client	Estimated time:	0.00 hour
Target version:		OS:	Linux
Version:	0.8-pre		
Description			
Probably happened after a ping timeout from the network. I was asleep, so no idea of what exactly happened, but here's the backtrace: ASSERT: "!_ircChannel && ircChannel" in file /home/bas/AUR/quassel-git/src/quassel-build/src/client/networkmodel.cpp, line 533 Quassel IRC: "0.9-pre" "5717b69f3585ad9102d47bdef32e2ac83bd18b83"
