

Quassel IRC - Bug #1336

Quassel displays incorrect nick when connected to bouncer

02/06/2015 09:14 AM - thatgraemeguy

Status:	New	Start date:	02/06/2015
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		OS:	Linux
Version:	0.10.0		
Description			
Please do not simply close this as a duplicate of #1020 and #1209 .			
When I connect to my bouncer, Quassel shows the correct nick in the user list, but my messages show my alt nick.			
See attached screenshot.
