

Quassel IRC - Bug #1379

Quassel should only highlight message content, leave nick colored.

08/20/2015 11:44 AM - gry

Status:	New	Start date:	08/20/2015
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		OS:	Any
Version:	0.10.0		
Description			
When someone highlights me, there should be an option to make his/her nick stay its color instead of being turned into the highlight color. That is, only the message should become \$highlight_color.
