

Quassel IRC - Bug #1437

Quassel chat monitor does not scroll to the highlight location

05/29/2017 03:17 AM - gry

Status:	New	Start date:	05/29/2017
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		OS:	Any
Version:	0.12.4		
Description			
<p>I get a highlight and click it in the Quassel chat monitor. It does not scroll to the highlight location. It would be nice if it did. :-) Although maintaining a meaningful read line (red horizontal line) location could be a mess then.</p>
