

Quassel IRC - Feature #1476

add join widget to the toolbar

02/08/2018 12:57 AM - gry

Status: New	Start date: 02/08/2018
Priority: Normal	Due date:

Category:	Estimated time: 0.00 hour
Target version:	
OS: Any	
Description	
In the toolbar perhaps a text box to join a new channel may be added	
<code>[connect to irc button] [disconnect from irc button] <-- a large gap --> [#channel name input box] @ [irc networks dropdown] [JOIN button]</code>	
When no channel is specified, join the currently open chat (if it is not joined already).	
Currently the join button opens a dialog.	
Implementing this would mean that we can join a channel in one click instead of two.
