

Quassel IRC - Bug #296

The buffer should only load new lines when scrolling up

08/27/2008 04:24 AM - sph

Status:	Resolved	Start date:	
Priority:	High	Due date:	
Assignee:	Sputnick	% Done:	0%
Category:	Quassel Client	Estimated time:	0.00 hour
Target version:	0.3.0	OS:	Any
Version:	0.13.1		
Description			
Try moving that scrollbutton in the scrollbar to the top. Quassel will load new lines in the buffer. Then scroll down again and quassel will load some more lines without purpose. Perhaps it's better if it only loads after scrolling up.

Right after I submitted, I realised that the buffercode was updated today while I'm still running yesterday's client, I'm sorry if this was fixed already :)

#2 - 08/27/2008 02:31 PM - Sputnick

Fixed.
