

Quassel IRC - Bug #46

Create Targetdir for Sqlite Database

06/20/2007 12:49 PM - EgS

| | | | |
|--|-----------------------|------------------------|-----------|
| Status: | Closed | Start date: | |
| Priority: | High | Due date: | |
| Assignee: | kaffeedoktor | % Done: | 0% |
| Category: | General / Unspecified | Estimated time: | 0.00 hour |
| Target version: | | OS: | Any |
| Version: | 0.13.1 | | |
| Description | | | |
| Sqlite storage can't initialize when there is noch ~/.quassel Dir. This should be checked and taken care of | | | |

History

#1 - 12/02/2007 08:44 PM - EgS

the wizard takes care of this now.
