

Quassel IRC - Bug #470

Tab-Complete Feature Request

01/07/2009 03:37 AM - genii

Status:	Rejected	Start date:	01/07/2009
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	General / Unspecified	Estimated time:	0.00 hour
Target version:		OS:	Any
Version:	0.3.1+		
Description			
As also discussed in quassel irc channel, Jan 6 2009 Something similar to Konversation's tab-completion feature which offers a list of names that fit the current set of characters typed. Control over sorting the name list would also be desirable.
