

Quassel IRC - Feature #481

Please add "sort alphabetically" to bufferviews

01/12/2009 10:35 PM - jussi01

Status:	Resolved	Start date:	01/12/2009
Priority:	Normal	Due date:	
Assignee:		% Done:	100%
Category:	Quassel Client	Estimated time:	0.00 hour
Target version:			
OS:	Any		
Description			
Please add an option to sort alphabetically to buffer views - makes things easier to find.

Revision e9bb37281e0304db32d7dc88fb8d49e9eabf7503 - 02/11/2009 01:07 AM - Marcus Eggenberger

Fixes #481 - Sort buffer views alphabetically.
Selecting sort alphabetically prohibits now reordering the buffer view.
If you edit an existing buffer view in the settings page checking "sort alphabetically" will cause a resort. Unchecking doesn't "randomize" (or whatever) the view and leaves it in the sorted state, but you can now reorder it again.

Please note:

Previously "sort alphabetically" only meant that new buffers are inserted in respect of alphabetical order. So if you have an old buffer view with "sort alphabetically" checked and it is currently not in a sorted state, you need to edit this view in the settingspage and uncheck and recheck the "sort alphabetically" option.
