

Quassel IRC - Feature #532

CTCP VERSION reply should be configurable

02/09/2009 10:02 PM - Nightfall

<b>Status:</b>	New	<b>Start date:</b>	02/09/2009
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>		<b>% Done:</b>	0%
<b>Category:</b>	General / Unspecified	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>			
<b>OS:</b>	Any		
<b>Description</b> It would be nice if the CTCP VERSION reply could be configured like: - Send/don't send reply - Only send core version, also send client version(s) - ...  Not sending a reply or sending some static string that doesn't contain the version might be desirable for security reasons for example.
