Quassel IRC - Bug #743

Setting "unlimited connect retries" not working

07/13/2009 02:21 PM - amiconn

Status:	Resolved		**Start date:**	07/13/2009
Priority:	Normal		**Due date:**	
Assignee:	Sputnick		**% Done:**	100%
Category:	Quassel Core		**Estimated time:**	0.00 hour
Target version:	0.4.3			
Version:	0.5-pre		**OS:**	Linux

Description

The per-network setting "unlimited connect retries" is not working. If it is set, the core still only performs the number of retries specified in the input box to the left (which cannot be edited when "unlimited connect retries" is enabled).

Tested with a linux core, both 32 and 64 bit, using the sqlite db backend.

Revision dee6c478632feeae5c845be82251117556ff1511 - 07/16/2009 12:08 AM - Manuel Nickschas

Properly handle unlimited IRC reconnection retries

Fixes #743. Also, do the first reconnect retry immediately after disconnect
even with unlimited retries enabled.
