#### History

##### #1 - 02/24/2008 12:06 AM - phon

Also merging user-querys would be nice, e.g. merging son, songoku, songooq, son', son|away, son^fr and others to one buffer.

##### #2 - 02/24/2008 01:25 PM - EgS

Though similar these are different issues.

This one here is about filtering and redirecting the other one is about aggregating data from different users. I've removed your notes here and attached them to the right Issue [#44](#).
